

Welcome to PROP! Our office is located at unit **104, 366 East Kent Ave. South**. We are in the Southbridge Business Park. Our building is at the back of the park, closest to the Fraser River. Park in any available parking space, not just those located in front of our office. Do not park along the yellow painted curb marked as a fire lane as it is a tow-away zone. The closest transit stop to our office is located on the corner of Main St. and Marine Drive SW. It is a 15-minute walk from this bus stop to our office.

Please arrive at 9:30am on the day of your PROP Rotation. There is a **doorbell at the front** you can press when you arrive, and your Preceptor will greet you at the door.

If you have any questions at all, you can contact us at the main office phone number, **1-866-326-1245**.

We look forward to welcoming you.
